OUR DYEING AND BLEACHING UNIT

LUCKY TERRY PROCESSORS
SPECIALIST IN TERRY TOWEL, BLANKET, KNITTED TERRY, POLAR FLEECE AND WOVEN FABRIC

Incorporated in 1990 specialises in Terry Towel, Blanket, Knitted Terry, Polar Fleece and Woven Fabric. Lucky Terry Processors is a new venture of Lucky Process. Lucky Terry Processors is a member of Common Effluent Treatment Plant CETP. Our CETP ensures that effluents are treated to achieve Zero Liquid Discharge(ZLD). Our unit is integrated with best machines to ensure exceptional fastness and shade matching. Our lab technicians are equipped with the latest equipment to match the shades before production. We have separate units for colour and white to ensure quality and timely delivery. Per Day Production - White- 12 Tons Per Day, Colour - 6 tons.
